

COMPANY PROFILE

THE HANDLER MUSIC MANAGEMENT

CURATED MUSIC • ARTIST DEVELOPMENT •
PREMIUM EXPERIENCES

A modern South African music company built around artists, experiences and opportunity.

The Handler Music Management (THMM) develops artists, curates meaningful live experiences and builds commercial platforms that connect talent, audiences, hospitality and brands. We lead with integrity and authenticity, combining professional structure, artist care and intentional curation in every project we take on.

WHAT WE DO

● ARTIST MANAGEMENT & BOOKINGS Structured career support, representation and bookings under clear written mandate.	● ARTIST DEVELOPMENT Assessment-led development across voice, performance, identity and professional readiness.	● LIVE EXPERIENCES & CURATION THMM-owned and client-led music experiences developed to an agreed creative and operational scope.
● CORPORATE & HOSPITALITY Music programming and talent sourcing for corporate, venue and hospitality briefs.	● BRAND PARTNERSHIPS Meaningful collaborations across eligible THMM experiences and artist-development platforms.	● CONTENT & PROJECT SUPPORT Rights-aware content and production coordination where scope, suppliers and approvals are confirmed.
